AVOX SYSTEMS TECHNICAL PUBLICATIONS INDEX

VENDOR CODE 53655

HIGHLIGHTS

R	This document replaces INDEX-001 dated 20050115, revision 8. An "**R**" in the left column indicates a major change to the Index, such as a new document or revision date. A CMM that covers more than one Part Number is listed at each Part Number in the Index By Part Number.

REQUESTS FOR TECHNICAL PUBLICATIONS

- AVOX Systems technical publications are distributed only to aircraft operators, and only for those components installed on aircraft they own and operate.
- Only operators of certain aircraft makes & models can receive technical publications.
- Operators of 2^{nd} tier aircraft (aircraft purchased used) will be charged a fee for technical publications.
- All requests for technical publications need to include:
    - exact & complete component part number, and
    - aircraft make & model information.
- Submit requests in writing to either:
    - e-mail: avoxtechpub@avox.zodiac.com
    - fax: 1-716-681-1089
